

Press Release

Heartland Home Care Inc. is pleased to announce that in addition to being a Companion Care Company, they are now a Licensed Home Health Agency. The scope of services offered by HHC will now include Home Health Aides giving assistance with Activities of Daily Living to include bathing, dressing, transfers, etc. HHC continues to offer meal planning and preparation, light housekeeping, laundry, errands, incidental transportation and other personal or household tasks needed.

Heartland also is pleased to announce that Connie Lungrin RN has joined the staff as Director of Nursing. Connie's professional background includes medical and surgical nursing. She has also worked in the area of chemical dependency. The last 15 years of her nursing career has been in the area of Geriatrics. Connie brings a wealth of knowledge and caring to the clients of Heartland Home Care Inc.

The company is not a Medicare provider however many Long Term Care Insurance policies cover home care provided by a Licensed Home Health Agency.
